THE PURPOSE OF THE HEARING IS TO RECEIVE PUBLIC COMMENT REGARDING A GOLF CART ORDINANCE.

Mayor Tebo reviewed points of the proposed Village of Norwood Golf Cart Ordinance that was distributed to attendees of the Public Hearing. Highlights included purpose, definition, rules and regulations, registration, inspection and fee prior to usage. It was noted that the Local Law will not be effective until it is approved by New York State.

4. PUBLIC COMMENTS:

Henry Bradley asked if proof of insurance will be required to operate golf carts on the approved Village streets. The Board responded that proof of insurance is required and pointed out that auto insurance is not valid coverage for golf carts. A notice will be made on the Village website and Facebook page as well as a phone call to the Public Hearing attendees upon the approval from New York State.
